

Declaration of conformance to REACH – SVHC

Dear Customer,

Eland Cables is committed to compliance to REACH, Registration Evaluation, Authorisation and Restriction of Chemicals.

Electric cables are defined as articles under REACH. Eland Cables recognises its obligation to notify ECHA if these articles contain any of the listed Substances of Very High Concern, SVHCs, when:

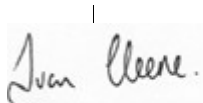

- a) The substance is present in those articles in quantities totaling over 1 tonne per producer per year;
- and
- b) The substance is present in those articles above a concentration of 0.1% weight by weight (w/w).

Eland Cables confirms that their suppliers are required to supply only REACH compliant materials and an up to date register is kept of these suppliers and their ongoing declaration of conformity to REACH.

Furthermore, we confirm that based on the information supplied to us by our manufacturing partners, our products do not contain any SVHC's above 0.1% W/W according to the latest REACH Candidate List as of 1st January 2023.

For further questions on REACH or RoHS compliance please contact the quality/technical team by emailing qa@elandcables.com.

With kind regards

Ivan Cleere
Head of Technical/QA
