Eland Cables' Cookie Policy

Eland Cables uses cookies in order to make our website work, or work more efficiently, as well as to provide information on how users are interacting with the site.

A "cookie" is a small piece of information sent by a website server and stored by your browser on your hard drive. You will be asked to accept the cookies settings on your first visit to the website and to reconfirm this acceptance at regular points thereafter in line with the cookie expiry status.

Eland Cables uses the following cookies for the following purposes:

Strictly Necessary Cookies

These are currently essential to our website operation and are always active – as such we're not asking your consent for these cookies. These include (but are not limited to) functionality for:

*   Application firewalls
*   FastQuote basket functionality
*   Load-balancing and image display

How do I change my cookie settings?

You can change your cookie preferences at any time by clicking on the link https://www.elandcables.com/info/website-cookie-policy. From the online policy document you can then access the cookie preference centre and adjust the available sliders to 'On' or 'Off', then clicking 'Save and close'. You may need to refresh your page for your settings to take effect.

Alternatively, most web browsers allow some control of most cookies through the browser settings. To find out more about cookies, including how to see what cookies have been set, visit www.aboutcookies.org or www.allaboutcookies.org.

Find out how to manage cookies on popular browsers:

- Google Chrome
- Microsoft Edge
- Mozilla Firefox
- Microsoft Internet Explorer
- Opera
- Apple Safari

To find information relating to other browsers, visit the browser developer's website.
To opt out of being tracked by Google Analytics across all websites, visit http://tools.google.com/dlpage/gaoptout.

Legal Notice Update
We reserve the right to make any changes and corrections to this notice. Please refer to this page from time to time to review these and new additional information.
More information
For more information on how your data is stored, please see our Privacy Policy and associated GDPR statement.
