

## FCCS Single Handed Action Triple Action Stripper

Eland Product Group: FCA

## **APPLICATION**

Single handed, triple action cable stripper. One squeeze firstly closes the grippers, then the cutter blades operate before the stripper jaws open to remove the slug of insulation.

The electrical and dimensional properties of this product are measured by the Technical and Quality Assurance department at the Eland Cables laboratory. Cable performance in respect of conductor resistance, construction quality (workmanship), dimensional consistency, and other parameters are verified to published standards and approved product drawings. Conformance to RoHS (Restriction of the use of Hazardous Substances) is determined and confirmed.
